**SAMPLE ANSWER:**

*Dear Martin,*

*I haven't heard from you for ages. I hope you are well. We are well. We're working hard but we like our jobs.*

*This summer we'd like to spend a week in London. We've never been there before and we don't know the city at all. Could you help us find accommodation somewhere near the centre? You know us well, and you have an idea of the places we like and we can afford. When will you be in London? Could we meet?*

*Looking forward to your reply.*

*Péter and Kati*

	Dialogue	Possible translation
Ex1	Szeretnék egy operát megnézni ma vagy holnap.	I'd like to see an opera today or tomorrow.
Ex2	I'm afraid there is no opera this week only ballet.	Sajnos, attól tartok nincs opera ezen a héten, csak balett.
1	Az is jó lesz. Szeretem a balettot. Két jegyet kérek.	That's OK. I like ballet. Two tickets please.
2	Where would you like to sit?	Hol szeretne ülni?
3	Hol vannak a legolcsóbb helyek?	Where are the cheapest seats?
4	At the top, in the back row.	A felső emeleten, a hátsó sorban.
5	Nem is tudom. Lehet onnan valamit látni?	I don't know. Can you see anything from there?
6	Certainly. I always sit there myself.	Hogyne. Én is mindig oda ülök.
7	Nagyon jó. Mennyi lesz?	That's fine. How much is that?
8	40.00 altogether, and a free programme with the cast.	Összesen 40 font, és jár hozzá egy műsor a szereposztás-sal.

## How to mark the Mediation

### Mediation 1: Translation

The total number of pieces of text which are marked for meaning is 14. The number of points is obtained by dividing by 2. To this are added 5 points for language. Thus the total available points for the translation task is 12.

### Mediation 2: Dialogue

The total number of pieces of text which are marked for meaning is 16. The number of points is obtained by dividing by 2. Thus the total available points for the dialogue task is 8.

### The mediation test

By adding the marks from the translation part and the dialogue task the total number of points is 20. A percentage can be obtained by multiplying by 5.

### Example

Translation: 10 correct out of 14. Number of points: 5 (10 / 2). Language mark 3. Total marks for translation 8 (5 + 3)

Dialogue: 12 correct out of 16. Number of points: 6 (12 / 2).

Marks for mediation test: 14 (8 + 6). The percentage result is 70% (14 x 5)
